## Host Families Required – Japanese Student Visit:

We are pleased to announce that this year we will again be hosting a group of Japanese students through the Overseas Cultural Exchange Program. Some of our families may remember Horizon hosting Japanese students a few years ago. We will have a group of 12-14 Boys (approximately 14 to 16 years old) arriving on **Friday 2<sup>nd</sup> August and leaving on Monday 12<sup>th</sup> August.** We will need families to host them. Families will need to provide the students with their own room, all family members over the age of 18 must have a current Working With Children Check, and will receive monetary compensation. Families can host more than 1 student, but they will require their own room each. **If you would be interested in hosting a Japanese student, please contact the office.**

## Horizon 2023 Year Book:

The 2023 Year Book is being sent home today with our 2023 students. We hope you enjoy looking back at these wonderful school memories.
