Term 3 Week 1

Wednesday 23<sup>rd</sup> July 2025

## Welcome back to Term 3:

Welcome back to term 3. What a blessing to have the rains and we pray for it to continue.

Students will get to experience life in many different ways this term. Our Outdoor Education students will be engaging in some tree planting as they learn about looking after our environment. Our first Casual Clothes day will also be an opportunity for us to 'love our neighbour' as the proceeds will be donated to looking after homeless people, who are some of the most vulnerable people in our society.

Our Primary students will have the joy of having grandparents or special friends visit the school and see the Primary Book Week parade.

A group of Agriculture students will participate in a sausage making workshop using Horizon Christian School lamb. It will be a really interesting paddock to plate experience.

Our Rite Journey students will do their solo camping night in the Flinders. This often marks a time of real personal growth for students.

And then there is the Eisteddfod, an event that the whole town gets behind and gets excited about.

So, as you can see, there are many interesting events and activities to get excited about and these things help to grow relationships and the excitement of learning.

I hope that you and your children have a great term.

Blessings, Dominic Hopps – Principal

We pray our new staff will feel welcome as they integrate into the Horizon family.

## New Student Management Database System:

During the 3 week break the school changed over to a new Student Management System (SMS) called TASS. You may notice some changes in the way you receive text messages and emails from the school.

If you have any concerns that you are not receiving information, please contact the Administration staff who will be happy to assist you.

We are looking forward to implementing updates and changes as we open new sections of the TASS program, to better inform families of student progress.
