Student Spotlight: A Portrait of Success for Abigail!

Congratulations to Abigail, who placed first at the Balaklava Show for her stunning portrait drawing in the Year 7–12 category! We're so proud of her achievement and excited to see more talented artists continue to shine at Horizon.

Farm Fair Day 2025

Despite the weather, our senior students proudly showcased their skills and hard work from the past year at our Farm Fair Day! A huge thank you to our community for braving the conditions and coming out to support our students.

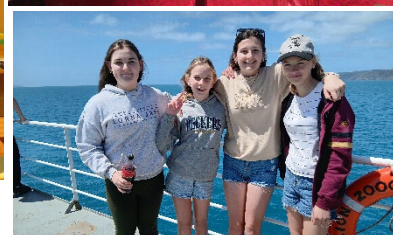

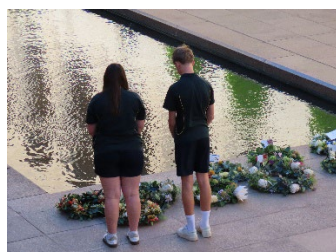

We'd also like to give a special shout-out to VetConcepts for setting up a display and helping visitors learn how to use our new ultrasound machine, an exciting addition for our Ag students and their studies!

Finally, a heartfelt thank you to Mrs. Farmer, whose dedication and vision have built our Ag program into what it is today. As she heads off on maternity leave, she will be greatly missed by staff and students alike!
