Seniors Final Assembly:

Our Year 12 students shared their final assembly last week. An afternoon filled with laughs, tears, and memories to last a lifetime. Their Year 6 buddies proudly presented portraits they had created of their Year 12 friends, a heartfelt reminder of the connections built across our school.

The assembly featured plenty of fun moments too, including a lively game of 'Pin the Hair on the Baldy' for Mr Chapman, much to everyone's amusement! Teachers were also recognised with light-hearted awards, and a touching speech from Mr Strudwick reminded us all just how special this group of students has been to our school community.

We are so proud of our Year 12s for the way they have led our school this year with resilience, kindness, and strong Christian character. They leave behind not only memories but a lasting legacy of leadership and faith.

Sport Highlights:

On Monday, the Year 5/6 Girls Basketball team headed to the Lightview Sports Centre to compete in seven challenging matches. Facing strong competition, the girls showed great determination and resilience, coming away with a mix of wins and losses. As the day went on, they learned to play to each other's strengths, found their rhythm, and finished on a high with back-to-back victories. Well done, girls, on a fantastic effort, and best of luck to our Year 3/4 and Year 5/6 Boys teams competing later this week!

Mini Morning

We had a wonderful morning connecting with our community at today's Mini Morning! Families enjoyed games, Kindergym, and plenty of interactive activities, all while our talented Barista students served up delicious coffees. A big thank you to our Year 6 leaders for their help throughout the morning and to everyone who joined us for our school tour. It was a great opportunity to welcome both new and current families, and we look forward to seeing many of new families joining our school community next year and in the years to come!

Youth Alive Mid North United & School Visit

On Saturday, we were proud to host the Youth Alive Mid North United Night, which brought together over 300 students from across our region for an evening of carnival fun, music, and a powerful gospel-inspired message. Earlier in the week, the Youth Alive team also joined us for a special Senior Chapel service, leading our students in worship and encouragement.

A huge thank you to DJ Cammie and Travis Miguel for sharing their music, stories, and faith with us. We are grateful to partner with local youth ministries to provide positive, hope-filled opportunities like this for young people in our community.
