"A Transforming Christian Education For All"

Horizon Christian School

We are a Foundation to Year 12, co-educational Christian School situated in the rural township of Balaklava. At Horizon, we understand that the education of your child is one of the most important decisions you will ever make. We seek to provide our students with a quality education, Christ-centred core values and life skills that will provide them with the foundation for future success in all that they pursue.

OUR VISION

A Transforming Christian Education for All

OUR MISSION

Horizon Christian School's mission is to journey faithfully with God and inspire a love of learning as we nurture partnerships in our school community to bring the light, hope and truth of Jesus to all.

OUR ANCHORS

Journey Faithfully with God

To intentionally walk with God in prayerful partnership as we offer our lives as living sacrifices in our ministry at Horizon.

Inspire a Love of Learning

To give our best 'as working for the Lord', to encourage students to develop a passion for learning.

Nurture Partnerships in Community

To foster authentic relationships within the school: between the school and our families and with churches within our region.

What is the Wakefield Regional Christian School Association (WRCSA)?

The Wakefield Regional Christian School Association (WRCSA) is a group of committed Christians who are passionate about education that is biblically grounded and transformational. The Christian School, as it pursues Christian education, seeks to teach all aspects of the curriculum from a Christian worldview.

At Horizon Christian School, there is a bigger picture than mere buildings or programs. The school was not built because of government mandate or community planning, rather it was a 'God moment' of one man. This inspired a group of Christian parents, who were willing to sacrifice everything to give their children a Christ-centred education.

A school such as ours can only maintain the integrity of its foundation through the commitment of Christians who will stay true to this vision.

The Big Picture
