Generosity Day

This Generosity Day, our school community will come together to support Holly, a nine-year-old girl from Balaklava who is bravely facing a relapse of childhood cancer. Holly and her local farming family are currently navigating an incredibly difficult journey as they work to access a treatment option that could help save her life.

As a school community, we have the opportunity to show generosity, compassion and support during this challenging time. Students are invited to wear gold or yellow (the Cancer Council colours) with their school uniform and bring a gold coin donation on Thursday 28th May. All funds raised will go directly to Holly's family to assist with her care and ongoing needs.

Chapel

Last Friday, our Bali Missions students shared reflections from their recent trip during Horizon chapels across both campuses, celebrating the school community's support of Bali Life and Ashyla, the Clare Campus sponsored child.

Students reflected on moments that impacted them most, with many sharing the powerful experience of praying with the local community. Despite language barriers and some students having never prayed aloud before, they stepped out boldly and courageously, with students sharing that God's presence was deeply felt.

We are grateful for the partnership and support of Academy Kristos, C3 Youth and Bali Life and thank them for the incredible work they continue to do within their communities.

We warmly invite all Horizon families to join us for a whole school Chapel this week. Chapel will be held in the Horizon Centre on Friday at 2:10pm. Please enter and sign in through the gym foyer at the southern end of the school.

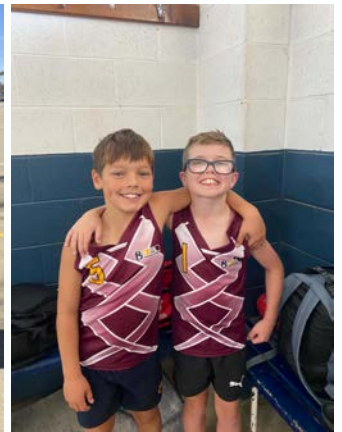

Host Families Needed – Share in a Cultural Experience

We are excited to announce that we will once again be welcoming a group of Japanese students to our school from Kogakuin Highschool, Tokyo from Friday the 31st July – Wednesday 12th August. Last year's visit was such a wonderful success that we are delighted to offer this enriching opportunity to our school community again. This year there will be a mix of male and female students visiting. We continue to seek host families to welcome these students into their homes for the duration of their stay. Hosting a student is not only a rewarding cultural experience for your family, but also a chance to build lifelong friendships and make a meaningful impact on a young person's life. There is a generous remuneration provided for host families, and all necessary support will be given to ensure a smooth and enjoyable experience for everyone involved.

If you are interested in opening your home and heart to one of our visiting students, or if you would like more information, please apply here: ahnhomestay.co/horizon-host

Mid North SAPSASA

Starting off the term with an explosion of winter sports, 6 Horizon students were selected to play in the Mid North SAPSASA Football and Netball Team. Both teams remained undefeated throughout the competition and earned a well-deserved place in the grand finals and took out the competition with the win. We congratulate the footy boys; Hudson, Will, Jordan with reserves Mihalis and Mark and netballers Harper, Annie and Ameia.

Garden Club Kick Off

Our Primary students have begun meeting for their lunchtime clubs, with the Gardening Club off to a great start. Students enjoyed learning how to repot plants using both soil and water methods while developing their gardening skills.

Student Highlight National Success for Lachlan

Year 11 student Lachlan took part in the 2026 IPSC (International Practical Shooting Confederation) Nationals during Week 3 along with 670 other competitors from Australia and overseas, which was held in South Australia this year at the Adelaide Pistol and Shooting Club.

Lachlan came 4th in C Grade Men's Open division out of 36 competitors. And 3rd in Open Junior. This is an excellent effort for Lachlan's first National competition, and third tier 3 event.

Walk Safely to School Day

Walking every day builds confidence, improves concentration, and establishes healthy habits for life, while also making our roads safer and our air cleaner for everyone. Research shows that children who are active before school are more focused, more productive, and perform better in the classroom.

We encourage all students and families to take part in Walk Safely to School Day on Friday May 22nd and enjoy the benefits of starting the day on foot.

Breakfast Club

A reminder that this term Breakfast Club looks a little different. We are excited to offer our students an easy way to start the day well, by providing accessible breakfast options. Students are able to access breakfast each day at school.

Monday, Wednesday and Friday - Cereal Option
Tuesday and Thursday - Full Breakfast
